OFFICE OF PETITIONS

In re Application of
Thaler et al.
Application No. 09/785,598
Filed: February 16, 2001
Attorney Docket No. BCO-001A

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed May 1, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the non-final Office action mailed, July 9, 2007, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on October 10, 2007. A Notice of Abandonment was mailed March 28, 2008.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must notify the Office.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an amendment, (2) the petition fee of \$1,620, and (3) an adequate statement of unintentional delay.

Telephone inquiries concerning this decision should be directed to Alicia Kelley at (571) 272-6059.

This application is being referred to Technology Center 2619 for further examination on the merits.
